

CV Short and BIOGRAPHICAL SKETCH

NAME **Dieter Lütjohann**

POSITION TITLE **Associate Professor Clinical Chemistry**

EDUCATION/TRAINING

A. Positions and Honors

Education, Positions and Employment

University of Bonn, Germany	Master	1986	Chemistry
University of Bonn, Germany	PhD	1990	Chemistry
Karolinska Institute, Stockholm, Sweden	PhD	2000	Medical Biochemistry
University of Bonn, Germany	Ass. Prof.	2002	Clinical Biochemistry
University of Bonn, Germany	Pharmacologist	2003	Pharmacology (DGPT)
University of Bonn, Germany	Assoc. Prof.	2008	Clinical Biochemistry

1987 – 1991	Scientific fellow at the Department of Clinical Pharmacology, University of Bonn
1991	Postdoctoral research fellow at the Department of Clinical Chemistry, Karolinska Institute, Huddinge Hospital, Sweden, “Paul-Martini-Stiftung” scholarship
1991-1994	Senior chemist at the Department of Clinical Pharmacology, University of Bonn
1994-1996	Postdoctoral research fellow at the Department of Medical Laboratory Sciences and Technology, Division of Clinical Chemistry, Karolinska Institute, Huddinge University Hospital, Huddinge, Sweden, “Swedish Medical Research Council” scholarship
1996-1999	Senior chemist at the Department of Clinical Pharmacology, University of Bonn
2000-2008	Head of the Laboratory of the Department of Clinical Pharmacology, University of Bonn
2008	Head of the Laboratory of Special Lipid Analysis – Central Laboratory, Institute of Clinical Chemistry and Pharmacology, University of Bonn

Awards and Scholarships

1989	Young Investigator Poster Award. 44. Tagung der Deutschen Gesellschaft für Verdauungs- und Stoffwechselerkrankungen. Mainz, Germany.
1991	Paul-Martini-Stiftung scholarship
1994-96	Swedish Medical Research Council scholarship
1996	Poul Astrup Prize 1996 (2 nd price) Nordic Society of Clinical Chemistry together with U. Diczfalusy, E. Lund und I. Björkhem, Torshavn, Faroe Islands, Denmark.
2003	Investigator Poster Award. Kern Aspen Lipid Conference. Aspen, Co, USA.
2005	Investigator Poster Award. Kern Aspen Lipid Conference. Aspen, Co, USA.

B. Selection of peer-reviewed publications:

Selected publications from a total of 398 (Pubmed) (05.07.2023) author “Lütjohann D”

Sum of Times Cited ~ 20,000; h-Index: 78 (Web of Science, July 5th, 2022) author “Lutjohann D**”

C: Expertises in:

Clinical Chemistry, Clinical Pharmacology, Lipid Metabolism (Cholesterol and Bile Acids, Lipoproteins), Neurodegenerative Diseases (CTX, MS, AD, NPC1/2), inherited diseases in lipid metabolism (sitosterolemia, Desmosterolosis, Smith-Lemli-Opitz syndorm, hereditary spastic paraplegia Type 5, sitosterolemia).
